Age Divisions for Boys & Girls from 4th Grade - Adult

Registration will open Summer 2020

Spring is here and summer is right around the corner . . .

but it sure feels a little different this time around. The Community House is built upon connecting. Engaging. Helping one another. Coming together to share and live our best lives. Our own health, the health of our neighbors, and the health of our community is top of mind for everyone right now.

These truly unique times have challenged all of us, but have also revealed a different type of connectedness. As I'm writing this in my living room, my 9 year old is video chatting with his 4th grade class and their teacher, my 13 year old is working on a group project creating a slide show for a science presentation that they'll record, edit, and send to their teacher. I see social media posts in my community and the communities served by The Community House about family walks, shopping for their neighbors, and so many creative ways to pass the time.

We are a strong community. This time of isolation reminds me of how powerful the mission of The Community House is. Being engaged in your community makes life meaningful, more fun, and allows us to have an impact on one another. Mr. Rogers once shared:

"When I was a boy I would see scary things on the news, my mother would say to me, "Look for the helpers. You will always find people who are helping."

We can all be the helpers in our community. Keep it up during these challenging times. Check in on each other, text your neighbors and for goodness sake, call your mom (or dad, or siblings, or cousins…).

We want to help too. Stay tuned to our social media outlets for opportunities to see some of your favorite instructors offering live and free virtual classes! Music classes for toddlers, a painting instructor, seated exercise for seniors, yoga for kids and more are coming your way. We want to help you and your family stay active, healthy, and engaged during this extended break.

The good news is, we know it won't last forever.

Our programs, summer camps, counseling center, adult trips, art classes, theatrical performances will be back. Those busy summer days going from chess camp to basketball camp to STEM camp are right around the corner. The Community House will be waiting and ready to help you connect, engage and enjoy your community.

YOUR TRUSTED COMMUNITY NON-PROFIT SINCE 1941

Yours in Health,

MONET EXHIBIT – Art Institute of Chicago

CANCELLED Thursday, May 21, 2020 • 10:00am-4:30pm

Claude Monet, the "Father of Impressionism," has long held a unique relationship with Chicago. During his lifetime, Chicago was the American city that most aggressively acquired his work, with enthusiastic collectors such as Bertha Honoré Palmer. Today the Art Institute is home to the largest collection of works by the artist outside of Paris.

Among the more than 65 paintings—from the Art Institute's exemplary holdings and esteemed Chicago-based collections — are beloved major works as well as rarely seen still lifes, figural scenes, seascapes, and landscapes. On this trip, we'll see a comprehensive view of Chicago's ongoing relationship to the artist. Includes lunch at The Park Grill before seeing the exhibit.

FRANKLIN D. ROOSEVELT – A Fireside Chat with RJ Lindsey at The Community House CANCELLED

Thursday, June 18, 2020 • 12:00-2:00pm

American history comes to life in the hands of the talented historical dramatist, R.J. Lindsey. Through extensive research, a meticulous attention to detail and the use of only documented speeches, letters and anecdotes, a vivid living portrait emerges. Today's news headlines call forth the truth of FDR's words of 80 years ago. He spoke out against religious and racial intolerance; against the voices of deceit and despair. He spoke for the people, for the well being of our neighbors and for a government that embodied human charity. FDR reads Depression era letters from citizens asking for help, the most touching from children, and recounts the New Deal programs designed to help in the days when the people mattered. At the conclusion of his "Fireside Chat" the President invites audience questions. Buffet luncheon will be served before the presentation.
