**Don't miss out on this wiggly, giggly good ol' time!**

**Ages: Newborn-6 years** (with parent or caregiver)

Each week, babies, toddlers, preschoolers, and the grownups who love them gather for 45 minutes of fun-filled family music time with Tiny Toes Music. Your teacher will lead you and the other families in music activities ranging from lullabies to full-on jam sessions (with child-friendly instruments, of course!). In Music Together's mixed age classes, everyone participates at their own levels: babies vocalize, listen and observe; toddlers play and experiment; and preschoolers build confidences as they emerge as classroom leaders. Grownups are happy because everyone can come to class together! You'll take home the award-winning music used in class, along with an illustrated songbook and other resources. You'll be supporting your child's music-learning and overall development all week long as you discover new ways to play with music together. It's so much fun, you won't realize how much learning is taking place! Infant siblings under 9 months attend for free and any caregiver (parent, nanny, or grandparent) can participate in this family music experience.
