Spring is in the air . . .

From the Desk of
The Executive Director

3

As I write this, we are in the planning stages for our big spring event, the 12th annual Walk the Walk on Sunday, April 28. This is my last "first" event. I started at The Community House last year on April 30, and I'm quickly coming up on my one year anniversary. It's been an extraordinary year. Thank you to all who have made me feel welcome, answered questions, introduced themselves, invited me, hosted me and dropped off cookies.

I'm excited about the Walk this year. We're taking a giant step forward (#punsthatwritethemselves). We're building on the success of prior years and want to raise money, and awareness, for the broader services in our Counseling Center. We have an abiding commitment to kids and families on the spectrum. That won't change. It is one of many needs in the community that we step up to meet. Mental Health is important at every stage of life, from childhood and adolescence through adulthood. Our mental health affects how we think, feel, and act. It also determines how we handle stress, relate to others, and make choices.

There is great need in our area for a community based mental health provider. That's who we've always been, and will continue to be and Walk the Walk lets us tell that story. Lace up, we'll see you here on Sunday, April 28th! If you want to sponsor the event, register to walk or support the cause, there's plenty of time. Reach out to Sarah and she'll take care of you. SSieracki@thecommunityhouse.org

And on the heels of the Walk (see what I did there....), we are thrilled to host Mary Schmich for our annual Anderson Jones Speakers Series on Wednesday May 1. This event will kick off a series of new, fun events for our Active Adults program. Keep an eye out for Kate's newsletter and join us for the Lagunitas Brewery tour, the exercise classes, the awesome A+ speakers. Register today for the Mary Schmich presentation. It promises to be awesome. (tons of details on the full page ad on the back of this guide).

And while we're looking forward to spring, we're also thinking about fall. This autumn we will complete a renovation of our south patio in memory of Karen Brunke—a past chair of the Antiques Show, and a great friend and supporter of The Community House. Mrs. Brunke left a generous estate gift to The Community House and we'll celebrate her legacy with a renovation to the patio and surrounding garden, in her memory. Watch for that activity this summer and a series of dedication events in mid September.

Summer will be filled with camps of all sorts—sports, STEM, arts... this is a busy, vibrant place in the summer. We are a community of active, busy, engaged learners, lovers of the arts, and athletes!

I'll see you at the Walk, if not before.

PS – LyArts!! The D181 Art show is April 29th-May 3rd with an awards ceremony the evening of Wednesday, May 1st. And we're thrilled to be the site of the Congressional Art Competition for IL 6th District high schoolers on May 6th!

Committed to strengthening our community,

Annie Horton Krug

Fun In The Sun with Tiny Toes Music

Ages: 0-6 years

Cool off this summer and sing and dance with us during our three-week sessions of Fun in the Sun! Get ready for chants and fingerplays, instrument activities with balls, sticks, eggs, and drums, and movement activities with scarves, parachutes, and dancing! This mixed-age class fosters natural, family-style learning. Infants and toddlers enjoy watching and imitating older children, preschoolers learn by leading younger ones, and adults are happy because the children in the family can go to class together! Each child participates at his or her own developmental level. Infant siblings under 9 months may attend for free and any caregiver (parent, nanny, or grandparent) can participate in this family music experience. For more information, visit www.TinyToesMusic.com. For children ages birth through 6 and their parent of caregiver
