

stay home, have fun challenge

the challenge

Community is important to all of us. **Just because we're practicing social distancing, doesn't mean we can't stay engaged and have fun.**

We challenge you to show us and your friends how much fun you're having while staying home.

the rules

Every week day (until March 27) we will release a new challenge that is fun for everyone! You record yourself, your child (ren), or a family member completing the challenge and post it on social media with the hashtag **#StayHomeHaveFun**.

the fine print

Our "team of experts" will watch every video and choose a winner each day! Not every challenge will be competitive, but every challenge will be fun! All submissions should be posted by 7pm each day. A winner will be shared the next day by 10am.

the loot

Winners will receive a \$10 credit toward a program or class at The Community House or a \$5 gift certificate to Dips and Dogs, plus the fame that comes with having your video posted on our social media pages to thousands of followers!

Wednesday

COLOR YOUR HEART OUT CHALLENGE

Dig out your crayons, markers or colored pencils and your favorite coloring book and show us your skills! Stay within the lines or color outside, whatever you decide, make it nice and have fun!

(Non-Competitive Challenge)

Thursday

WRITER & READER CHALLENGE

Find your inner Robert Frost and write a poem or your inner Dr. Seuss and write a story and read it aloud for the world to hear!

(Competitive Challenge)
