

E-Learning Care Employment Opportunities 2020-2021 School Year

The Community House is offering E-Learning Care to help offset the new hybrid schedule of D181 and CCSD180. This program is seeking experienced and qualified team members. All members of our team must have experience working with children and have an enthusiastic and positive attitude. Qualified team members will be able to implement the program curriculum which includes enrichment courses, homework help, and group activities.

Our team members are responsible for being positive role models for our participants, providing a warm and caring atmosphere for growth and prioritizing safety in all activities. Candidates must have a proven track record of responsible child supervision. Each educator should also be able to articulate their personal vision of enabling all children to experience their highest potential.

Applications will be accepted beginning **July 22nd** and end when all positions are full.

Applications will not be considered or accepted after closing date.
