

We love to share moments that inspire us and demonstrate the power of community!

Our Willowbrook Corner Youth Learning Program is a warm and welcoming place where students, families and friends are encouraged to play, engage and learn together! **This year, our E-Learning Care Program at WBC has given students the opportunity to learn in a safe, comfortable and enriching environment and we are so grateful to the friends and volunteers who have helped to make this program a success!**

Pictured above is Jeanne Hendrie, a local volunteer who takes time out of her busy schedule to help provide support to WBC students. Jeanne and the many other volunteers at TCH help us fulfill our mission and make our community stronger!
