

Today is International Women's Day and we wanted to take a moment to wish our community of female athletes, artists, volunteers, staff, actors, and friends a very special day!

The 2021 theme for IWD #ChoosetoChallenge calls upon women everywhere to challenge biases, question stereotypes and celebrate the achievements of women around the world.

Follow us on social media and share with us how you #ChoosetoChallenge and don't forget to tag us!

IN FOCUS

A snack for the palate with a palette on the side

What could be better than creating art with a helping of cookies on the side? Gabrielle Tufano teaches several painting techniques in her monthly Cookies and Canvas class at The Community House. Dahlia Raad adds some paint to her work. Parents are offered the opportunity to enroll with their children, and Melissa took the class with her daughter, Caroline Brown. Each month Tufano teaches a new technique to the students. (Jim Slonoff photos)
