

WILLOWBROOK CORNER MOMENTS THAT INSPIRE

We love to share moments that inspire us and demonstrate the power of community!

Our Willowbrook Corner Youth Learning Program is a warm and welcoming place where students, families and friends are encouraged to play, engage and learn together!

Through our Willowbrook Corner Coalition, our Bank Coalition Partners provide volunteer financial education to students and ongoing support to the WBC Coalition.

The Bank Coalition offers equal opportunity for our WBC community to embrace financial education and learn about self-sufficiency.

Pictured above is Cathy Bulthuis, Platinum Adventures Director at Hinsdale Bank & Trust leading a session of Junior Achievement Mondays! This class educates WBC students on money management in a fun and easy to understand way! Thank you, Cathy for your dedication to our young people!
