

Dear Friend,

The Community House is able to achieve its goals each year with the assistance of generous donations from valuable members like you in our community. Without these donations, it is not possible to create awareness on the importance of our programs and social service offerings. I would like to thank you for your previous sponsorship of our annual 3-on-3 Basketball Tournament and hope you will consider joining us once again in support of this exciting and growing community event.

As you may know, the 3-on-3 Basketball Tournament is in its eighth year and continues to build momentum. Each year, nearly 300+ local kids and adults participate in the Tournament, and another 400+ spectators join us to cheer on their favorite teams. With the end of the pandemic, we are anticipating even more teams participating this year!

We hope you will consider partnering with us at this year's event to be held on **Saturday, August 13, 2022**, at The Community House (TCH).

For over 80 years, TCH has been building community through inspired learning, social impact and life-enriching experiences. We are part of the lives of thousands of local families through athletics, theater, volunteer activities, education, and clinical services.

Proceeds from the 3-on-3 Basketball Tournament support youth programming at The Community House, and supporters can enjoy various **benefits that can aid your business**, such as:

- Day-of-Event branding opportunities (*Signage & Court Branding*)
- Logo Display and signage to prominent Hinsdale audience
- Volunteer opportunities
- Exposure to over 9,000 local families via TCH Email Marketing, Website & Social Media

*\*Please note, specific benefits depend on level of Sponsorship selected.*

More details about sponsorship opportunities are included in the attached Sponsorship Packet. I would enjoy the chance to speak with you further regarding opportunities to Sponsor the **8th Annual 3-on-3 Basketball Tournament**. Please feel free to contact me at 630-323-7500, ext. 222. We look forward to hearing your favorable response.

In Community,  
Dan Janowick, Executive Director
