Chaperone & Participant Information

The most important role chaperones play is to model mature and respectful behavior to the students.

Chaperone Expectations

Chaperones should dress in formal attire; examples are a dress shirt, tie, dress slacks, dresses or skirts, dress pants and dress shoes.

If needed, limited gloves are available from Fortnightly committee members for chaperone use.

All are asked to please arrive 15 minutes prior to class to check in and meet with dance instructors to go over duties and expectations.

During class, make sure all students stay in the dance hall.

During class, assist instructors by participating when needed. Participation is necessary only if absences require it.

At the end of class, remain in dance hall so the students may thank chaperones as they exit.

Please remain until all students have been picked up.

So class can begin promptly, please arrive 10 minutes prior to the start of your class.
This allows time to check in, obtain name tags.

Parents, please review the above guidelines with your eighth graders.
